

ER-1-4083 A

22 DEC 1950

The Honorable Lyndon B. Johnson
Chairman, Preparedness Subcommittee
Committee on Armed Services
United States Senate
Washington 25, D. C.

Dear Mr. Chairman:

I have received your letter of 12 December 1950 in which you request copies of a report on world-wide resources of strategic materials.

The Central Intelligence Agency has not prepared a report of this nature. It is believed that the document to which you refer is published by the Munitions Board of the Department of Defense. We have given intelligence support to the preparation of this report by making pertinent material available to the Munitions Board in accordance with their requirements; however, the report as such is theirs and would have to be secured from them.

With kindest regards, I am

Sincerely yours,

WALTER B. SMITH
